

## PARENTS

Our service includes:

- Reading Tutors
- Math Tutors
- Homework Assist
- Interventions
- Assessment and/or
- Progress Monitoring
- Virtual Sessions or
- Face-to-Face
- Flexible Schedules
- Flexible Rates
- No contract required

Parents, if your child needs extra instructional support to be successful, we have the solution for you. Our tutors are certified practitioners who have been vetted and are ready to offer their service.

On our website, you can review the biographies of each tutor and see their hours of availability and rate. You have the control to select the tutor that you feel works best for your child's needs.

**Education is the pathway to literacy and productivity for all citizens.**

**But, the impact of Covid-19 on the nation's education system is unprecedented.**

**Apple Tree Tutors is a teaching platform like no other, supporting students' educational needs in a safe environment.**

**Let Apple Tree Tutors stand in the gap for your child!**

**Virtual learning is the future.**
